A screenshot of the "Booking Movie Ticket" application showing a "user details" form. The form is titled "user details" and contains several input fields: "Name" (split into "First Name" and "Last Name"), "Phone" (with a country code dropdown set to "+91" and a value "85234 56789"), "Email" (with a value "63"), "Date-Time" (with a date range "2023-01-01 to 2023-12-31" and a calendar icon), "Theatres" (split into "First Name" and "Last Name"), and "Drop Down" (with a value "Select"). At the bottom of the form are "Submit" and "Reset" buttons. On the right side, there is a panel titled "Form Customization - Web" showing "Label placement" options for various form fields.
